Patent No. 6,905,653 B1

Patented: June 14, 2005

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Yoshihiko Higuchi, Kyoto (JP); and Michio Naka, Kyoto, (JP).

Signed and Sealed this Twelfth Day of June 2007.
